GDPR and Data Sharing:

Summary Care Record (SCR):

This record contains basic information about: Allergies you may have, unexpected reactions to medications and any prescriptions you have recently received. The intention of the SCR is to help clinicians in Emergency Departments and Out of Hours services to give you safe, timely and effective treatment. Clinicians will only be allowed to access your record if they are authorised to do so and, even then, only if you give your express permission. You will be asked if healthcare staff can look at your SCR every time they need to (unless it is an emergency i.e. you are unconscious.)

Please tick one of the following options:

- □ Express consent for medications, allergies and adverse reactions
- □ Express consent for medications, allergies and adverse reactions and additional information
- □ Express dissent (opt-out)

Clinical System Record Sharing:

Due to GDPR, our clinical system, SystmOne (S1), also requires your permission to permit or restrict access to the information entered into your record at each organisation that accesses your record. You can change your consent at any time. Please tick your preferences:

Do you consent to the sharing of data recorded here with any other organisations that may care for you? \Box Yes – share with other organisations \Box No – do not share any data recorded at Yealm Medical Centre

Do you consent to the viewing of data by this organisation that is recorded at other care services that may care for you where you have agreed to make your data shareable?

Accessible Information Standard:

Please visit <u>www.england.nhs.uk/accessibleinfo</u> for more information regarding:

- British Sign Language interpreters

- Text, voicemail and email communication regarding appointments, health campaigns, results etc.

We use Sign Solutions for interpreters. Visit their website: signsolutions.uk.com

We have a large print practice booklet available on request and a communication widget. Please state if you require any further information or have any communication needs:

Devon Carers:

We have access to a free service for Devon Carers. You can contact them on **03456 434 435** or visit their website at www.devoncarers.org.uk.

Are you a carer without receiving payment? Let your GP know. If you are a carer, please state their na	ame
and GP surgery.	

Caree name: _____

_____ Caree's GP Surgery: _____

Participation Virtual Group:

Would you like to become more involved in decisions about services provided by your practice? The Participation Virtual Group is looking to recruit new members of all ages to become involved in their group. The means of communication is email and they will only contact you from time to time for feedback relating to their service. To get involved, please email <u>d_ccg.yealmppg@nhs.net</u>

Appointment booking:

We are pleased to let you know about **a new way to book your GP appointment.** We have introduced 'Anima', a new system which allows us to make sure you get the support or appointment you need, at a time that is appropriate and safe for your problem. This is in direct response to new government guidelines.

All acute queries for the Doctors now come through Anima, rather than via the phone lines. This avoids you needing to queue on the telephone and will keep lines free for those who do not have internet. You're able to ask us about anything from a health problem, a medication question or even with forms that you'd like us to complete.

By completing an Anima request yourself, it also means you can keep your problem private as you won't need to explain it to our receptionists. It helps us make sure everyone who is trying to get help and support get it by the right person at the right time. When we understand your problem better, we're able to advise you on the best way to get help.

More information is available on the 'Anima' website.

New Patient Questionnaire

ALCOHOL SCREENING TOOL

One unit of alcohol

Drinks more

than a

single unit "regular" beer, lager or cider

Pint of "strong or "premium" beer, lager or cider

ong" Alcopop or a Im" 275ml bottle r or of regular lager

a 440ml can of e "regular" lager or cider

of 440ml can of "super strength" lager

250ml glass 75cl Bott of wine of wine (12%) (12%)

Alcohol use disorders identification test consumption (AUDIT C)

This alcohol harm assessment tool consists of the consumption questions from the full alcohol use disorders identification test (AUDIT).

Questions		Scoring system				
		1	2	3	4	score
How often do you have a drink containing alcohol?	Never	Monthly or less	2 to 4 times per month	2 to 3 times per week	4 or more times per week	
How many units of alcohol do you drink on a typical day when you are drinking?	0 to 2	3 to 4	5 to 6	7 to 9	10 or more	
How often have you had 6 or more units if female, or 8 or more if male, on a single occasion in the last year?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	

AUDIT C score	AUDIT C score
---------------	---------------

Scoring:

- A total of 5 or more is a positive screen
- 0 to 4 indicates a low risk
- 5 to 7 indicates an increasing risk
- 8 to 10 indicates a higher risk
- 10 to 12 indicates a possible dependence

What to do next: if you have a score of 5 or more please complete the remaining alcohol harm questions below to obtain a full AUDIT score.

Remaining AUDIT assessment questions:

AUDIT Questions	Scoring system				Your	
(after completing 3 AUDIT-C questions above)	0	1	2	3	4	score
How often during the last year have you found that you were not able to stop drinking once you had started?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	
How often during the last year have you failed to do what was normally expected from you because of your drinking?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	
How often during the last year have you needed an alcoholic drink in the morning to get yourself going after a heavy drinking session?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	
How often during the last year have you had a feeling of guilt or remorse after drinking?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	
How often during the last year have you been unable to remember what happened the night before because you had been drinking?	Never	Less than monthly	Monthly	Weekly	Daily or almost daily	
Have you or somebody else been injured as a result of your drinking?	No		Yes, but not in the last year		Yes, during the last year	
Has a relative or friend, doctor or other health worker been concerned about your drinking or suggested that you cut down?	No		Yes, but not in the last year		Yes, during the last year	
					TOTAL	

Scoring:

- 0 to 7 indicates low risk
- 8 to 15 indicates an increasing risk
- 16 to 19 indicates a higher risk
- 20 or more indicates possible dependence
